

PROJECTING SIGNS

PJL Series | Top-to-Bottom Curve

left & right end caps

The double-sided, curved projecting frames come in landscape or portrait positions with a high quality, curved aluminum body, available in anodized silver or powder-coated black finish and your choice of black or gray impact-modified plastic end caps. Comes standard with clear non-glare lens, unless otherwise specified. Comes fully assembled. Custom lengths available.

All length measurements apply to the extrusion only and exclude the end caps.

PJP Series | Left-to-Right Curve

top & bottom end caps

PJF Series | Flat

flat projecting signs

These flat, double-sided wall projecting signs are ideally suited for cut vinyl applications. The silver finish extruded aluminum body is equipped with black impact-modified plastic end caps, one of which doubles up as a mountable bracket. Comes fully assembled. Custom lengths available.
